Describe a law on environmental protection IELTS Cue Card

You should say

- What it is?
- How you first learned about it?
- Who benefits from it?
- And explain how you feel about this law?

Band 9 Model Answer to Describe a law on environmental protection IELTS Cue Card

- Laws are made by the public authority for the smooth running of society.
- Without these laws, we would be living in absolute bedlam and rebellion.
- There are numerous laws worth focusing on, for example, – prohibition on smoking out in the open spots, wearing a cap while riding a bike, law against female foeticide, and against cutting trees
- However, here I will discuss a law on restricting the utilization of plastic convey sacks

- I came to think about this law from television news.
- This law influences every single individual on the planet.
- In 2016, India restricted the utilization of convey sacks under 50 microns thickness, however it was not implemented well, due to an absence of choices.
- In any case, in June 2018, on World Climate Day, the topic was “Beat Plastic Contamination”, thus the public authority intended to be severe in the execution of this law.
- As a matter of fact, this year, India was the worldwide host of the World Climate Day.
- Thus, our PM Mr. Narendra Modi asked each state and Association Domain to dispatch a gigantic mission against the utilization of plastics.
- Plastic in all structures, for example, convey packs, drinking straws, and plastic containers has been prohibited and severe fines are forced on the violators of this law.
- Plastic is non-biodegradable and tops off our landfill destinations.
- Whenever consumed, it discharges destructive vapor into the air.
- Thus, I think this is a decent law and we as a whole need to help out the public authority by keeping this law.
- We should make it a propensity to convey our handbags with us when we go out to shop and decline to acknowledge plastic sacks.
