Band 9 Model Answer to Describe an activity that you do after school/work IELTS Cue Card

- Because of study pressure and long sitting, my life is extremely inactive.
- Accordingly, to keep me in great shape, I do yoga after school.
- I just began it two months prior, so at this moment I can just do the fledgling stances (asanas).
- However, I'm improving step by step and I accept that I will actually want to continue on to the high level ones soon.
- In reality, my mom used to do yoga when she was a kid.

- Thus, when I was contemplating working on my actual wellness, she proposed that I attempt yoga.
- She additionally needed to rehash it and we thought in light of the fact that about one another's organization, we would be more standard.
- One more justification picking yoga was that it doesn't need any extraordinary gear.
- We just needed to arrange two yoga mats.
- We have a gigantic veranda in our home.
- We typically spread the mats there.
- Be that as it may, when it is coming down, we do it inside the house, in our parlor.
- Normally, we do it for around 40 minutes, in the evening.
- Also, we attempt to do it something like 5 days seven days.
- Yoga has changed my life impressively.
- I feel truly fitter as well as intellectually more formed.
- What's more, it was difficult, before all else, I needed to surrender.
- The principal week was particularly extreme and I had serious body throb and touchiness.
- In any case, constantly week, I felt much better.
- I think if not for my mom pushing me, I would have surrendered.
- Presently, I'm the one, pushing her.
- I truly anticipate doing it.
- It has turned into a piece of my daily practice and in the event that I do miss it, I feel remorseful in some way or another.
- I figure everybody ought to attempt yoga once in their life.
